

## 6 Day Gourmet Mediterranean Experience

### Day 1

Arrive at Palma Airport and transfer to your chosen hotel. After settling in you will be welcomed at the Yacht Club Cala d'Or for drinks and dinner.

### Day 2

After a leisurely breakfast at your hotel, visit a bustling local market with your host, Sergio. See the fresh produce, talk to local suppliers and pick ingredients in preparation for your afternoon's class.

Enjoy a lunch at a local Mallorcan restaurant and then return to the Yacht Club where your afternoon will consist of learning the art of great fresh pasta dishes. After a fun-filled day, relax on the pool terrace and enjoy the fruits of your labour whilst sampling local wine and cava.

### Day 3

Enjoy a scenic drive to the Manacor area to visit the Olive Oil Farm and Mill of Aubocassa (Albocasser) farm. Here you will enjoy a detailed visit of the Mill, plantation and a tasting of their Olive Oil which has one the award again as the top Virgin Olive Oil in Spain. Lunch will be included in the trip.

The afternoon is yours to enjoy, whether you relax around the Yacht Club pool or one of the stunning local beaches perhaps. You are invited to dine in the delicious Tapas Restaurant at the Yacht Club.

### Day 4

You will be in the kitchen this morning learning the art of tapas cooking. Try making several different dishes and enjoy your creations for lunch. The afternoon can be used for a shopping trip to the local town. If you are keen boater, we can arrange for yourself and your group to go on a private boat excursion from the marina (this would be an extra cost). A relaxed and informal BBQ in the gardens of the Yacht Club awaits your return...

### Day 5

We have a fantastic day ahead. We kick off with a tour of a traditional Bodega, where local wines are produced. This will include sampling some of the locally produced of course and a lunch en route. Returning to the Club in the afternoon you will have a lesson in dessert making, learning how to make Tiramisu and other local delights. Your final dinner will be in the fishing village of Porto Petro, just 5 mins drive from Cala d'Or.

### Day 6

After a farewell breakfast at the Yacht Club you will have some time to enjoy the infinity pool, steam room, sauna and just relax in the gardens. We will transfer you to Palma Airport and say our tearful farewells but rest assured, we KNOW once you see Mallorca, you'll be back.....
