

Artesian Olive Oil and Organic Wine Excursion

(Private Excursion min 2 people, max 8)

The perfect way to experience the beautiful Mallorcan countryside whilst learning about the culture and long standing traditions.

Your day starts when you will be picked up from your hotel and we will journey through the mountains to a famous winery. Here you will be shown the art of wine making and learn the history of these stunning vineyards as well as being offered a selection of vintage wines to sample yourself.

After enjoying a relaxed lunch in one of the nearby village restaurants we will journey to our next destination, the Olive Farm. Through winding roads and past scenic villages, the journey itself will capture you.

On arrival at the Olive Farm you will be treated to a tour of this ancient Mill and plantation, learning about the process of making olive oil, the history of the land as well as sampling their finest olive oils.
