

## Spanish Tapas Cooking Class

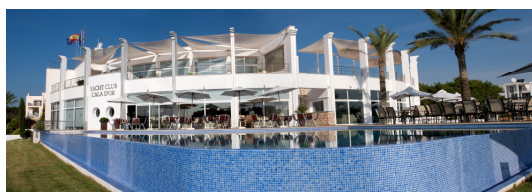

(Private Excursion min 2 people, max 8)

Discover the secret of traditional Spanish Tapas, a custom becoming ever more popular on the international scene. Take this opportunity to learn how to prepare gourmet Tapas for your friends and family and perhaps open your own Tapas Restaurant!

Tapas are a real institution in Spain. These are small appetizers which were originally served to cover ("tapar" – hence the name) glasses, to avoid anything getting into the drink. Tapas are always in small bitesize portions but if you are feeling hungry you can order a larger portion known as a "Ración".

Our half day journey will take you to the Yacht Club, where one of our Tapas chefs will show you how to prepare five different Gourmet Tapas in which you will have a hands on experience. Afterwards everyone will enjoy these dishes accompanied by some of our most popular red and white wines.

The recipes and instructions will be yours to take home at the end of the day. Don't miss out on this fun-filled day!
